The Housing & Building Association of Colorado Springs To Host Breakfast with the Builders

The HBA brings local builders and Realtors together at its annual event

COLORADO SPRINGS – Feb. 7, 2017 – The Housing & Building Association of Colorado Springs is holding its annual Breakfast with the Builders event Wednesday, Feb. 8, at the Mortgage Solutions Financial Expo Center. For more than two decades the event has been a platform for HBA builder members and licensed real estate agents to come together to share new inventory and locations. Over 500 Realtors are registered to attend, and 30 builders are participating.

The HBA believes the event is key to developing and growing builder-Realtor relationships, which is critical for maintaining a high-functioning housing and building industry in Colorado Springs. As Mark Long, 2017 HBA President and owner of Vanguard Homes explained, "We value the experience, expertise and knowledge that our local agents and the Pikes Peak Association of Realtors bring to our industry. The Breakfast with the Builders event is a great opportunity to develop and strengthen these relationships, and we look forward to it at the kick-off of each selling season."

With the real estate market already off to a strong start in 2017, Long noted that "Our relationship with the Realtor community is more important than ever, especially as the economy continues to improve."

About the Housing & Building Association of Colorado Springs

The HBA of Colorado Springs is a member trade association made up of builders, developers, remodelers, trade contractors, suppliers, mortgage lenders, Realtors, title companies, architects, landscapers, and others. The HBA is committed to promoting policies that allow for the production of safe and affordable housing and to enhancing the environment for the housing and building industry in El Paso County.
