Hanley Wood Market Intelligence and New Home Star will present a brief overview of the Colorado Springs new housing market, as well as look at what is expected to occur in 2011.

Hear what the experts think about the challenges and opportunities in current market along with a review and forecast for CO Springs. The event will focus on critical issues facing executives in the Home Building Industry specifically in regards to pricing, supply of new and existing homes, foreclosures, absorption trends, and land acquisition in today's housing market.

Hanley Wood Market Intelligence is dedicated to providing you with the insight and information you need to succeed in today's environment.
