

Free Safety Seminar

“OSHA’S NATIONAL EMPHASIS PROGRAM ON CRYSTALLINE SILICA”

(Program targets the Granite and Marble Industry)

OSHA’s National Emphasis Program on Crystalline Silica is targeting the granite and marble industry in Colorado and throughout the United States. **Six & Geving Insurance** is sponsoring this **FREE** seminar to help educate your business relative to this topic. The seminar will provide your company with the following information:

- What is Crystalline Silica and what are the health effects of prolonged exposure?
- What will OSHA be looking for/at if they visit your business?
- What are the leading regulations that OSHA has cited so far relative to Crystalline Silica and the granite/marble industry?
- What can your company do to protect your employees and reduce potential workers’ compensation claims and OSHA citations?
