COLORADO SPRINGS – March 1, 2018 – The Housing & Building Association of Colorado Springs (CSHBA) is pleased to welcome Bethany Schoemer to the position of Regulatory Affairs Coordinator. Her focus will be on cultivating and maintaining strong working relationships with HBA members, government and regulatory affairs agencies, and other local organizations on issues relative to the housing and building industry.

Schoemer earned her Bachelor of Arts degree in Political Science from the University of Colorado Colorado Springs. Her background is in legislative research and administrative support, most recently working as the Policy and Communications Program Assistant for the Pikes Peak Area Council of Governments.

“We are excited for Bethany to join our government affairs team with her strong community relationships with elected officials and previous work experience,” said Marla Novak, Director of Government Affairs. “Building community and advocating for housing are two of the HBA’s strategic priorities for 2018, and Bethany will play an important role as the association works toward those goals,” added Renee Zentz, CEO.
