HBA of Colorado Springs Welcomes Wendy Clark as Workforce Development Program Coordinator

COLORADO SPRINGS – March 1, 2018 – The Housing & Building Association of Colorado Springs (CSHBA) is pleased to welcome Wendy Clark to the position of Workforce Development Program Coordinator. Her focus will be on increasing funding and enrollment for the Careers in Construction program, as well as building industry relationships, facilitating job opportunities and serving as a spokesperson for the CSHBA workforce initiative.

Clark earned her Bachelor of Arts degree in Travel and Tourism Management from the University of Northumbria, Newcastle. She is trilingual and holds a résumé that includes work experience in Ghana, Ecuador and the United Kingdom. Clark has a strong background in building relationships, translating and organizational planning. She looks forward to using her skills and experience to make a positive impact on local students and the construction industry through the Careers in Construction program.

“We are thrilled to have Wendy join the HBA’s Workforce Development team,” said Renee Zentz, CEO. “Her dynamic personality, forward-thinking attitude and background in building relationships is critical to this role, which will require a ‘boots on the ground’ approach with the students, instructors and supporters. We are excited to see how far she helps to advance the program over the next several months.”

About the Housing & Building Association of Colorado Springs

Homes are a cornerstone of the American dream and a major driver of our economy. The Housing & Building Association of Colorado Springs was founded in 1950 as the voice of the homebuilding community and associated trades. We advance best practices, advocate for affordable housing, contribute expertise to regional development issues and serve our community through our workforce initiatives and HBA Cares programs.
