## HBA Home & Garden Show Draws Record Attendance at Chapel Hills Mall Location

COLORADO SPRINGS — February 28, 2018 — Colorado Springs' longest running home show returned to Chapel Hills Mall this past weekend and the public responded in record-breaking numbers. With more than 8,000 people in attendance, the 2018 Home & Garden Show saw a wildly successful turn-out in the new space, with Saturday and Sunday attendance numbers close to 3,500 each day.

In addition to featuring the area's most innovative manufacturers and suppliers of home and garden products, the three-day event showcased several unique landscapes designed for Colorado living, with everything from dining areas and outdoor kitchens to water and fire features. The designers, which included C&C Sand and Stone Company, Colorado Creative Landscapes, Fisk Lawnsapes, Genesis Group, Hiner Landscape and M&D Enterprises, competed for the People's Choice award. More than 2,500 votes were cast by attendees for their favorite landscape design. The winner was Hiner Landscapes, whose display presented six water features including a koi pond.

Throughout Saturday and Sunday, the public enjoyed free seminars covering a wide range of home- and garden-related topics, as well as a free flower giveaway by Harding Nursery.

The HBA would like to recognize the following event sponsors: Champion Windows, C & C Sand and Stone, Hanson HotSpring Spas, Harding Nursery and Xfinity, as well as our media partner The Gazette.

Mark your calendars for the remaining 2018 HBA Home Shows:

- March 23–25: Home Remodeling & Landscape Show – This is a can't-miss show for DIYers! Gather new ideas for enhancing the interior of your home, from state-of-the-art kitchens and energy-efficient windows, to siding, decks and beyond.
- April 20–22: Home Show – Whether you're improving your current home or building brand new, this show offers the convenience of talking with local builders, remodelers and other industry professionals all in one place to get you started.

About the Housing & Building Association of Colorado Springs

Homes are a cornerstone of the American dream and a major driver of our economy. The Housing & Building Association of Colorado Springs was founded in 1950 as the voice of the homebuilding community and associated trades. We advance best practices, advocate for affordable housing, contribute expertise to regional development issues and serve our community through our workforce initiatives and HBA Cares programs.
