The HBA Home Remodeling & Landscape Show Returns to Colorado Springs This Weekend

COLORADO SPRINGS — March 20, 2018 — Spring has returned to the Front Range and so has the HBA Home Remodeling & Landscape Show! The Housing & Building Association of Colorado Springs continues its 2018 series of home shows Friday, March 23 through Sunday, March 25 at Chapel Hills Mall. Enjoy free admission all weekend.

Whether you need a professional for that special project or you plan to do it yourself, you won't want to miss this show. Bring your to-do list and take advantage of the opportunity to meet with area's top remodeling professionals and landscape experts. With hundreds of exhibitors on hand, you'll find everything for homeowners from A to Z – kitchens, windows, siding, decks, carpet, home accessories, spas and much more.

"Each year we try to make the shows better by giving the public something new and exciting to experience," said Brandon Elrod, General Manager of C & C Sand and Stone, Co. and Chair of the HBA Home & Garden Show. "This weekend's show will inspire the public as they stroll through landscaped gardens to gather ideas for their own backyards, then connect with local professionals who can transform the interior of their homes."

Show Schedule: March 23, 3-7 PM; March 24, 10 AM-6 PM; March 25, 11 AM-5 PM.

The HBA Home Remodeling & Landscape Show is sponsored by The Gazette, C & C Sand and Stone Co., Champion Windows, Hanson HotSpring Spas, Harding Nursery and Xfinity. See information on exhibitors, seminars and more at springshows.com.

About the Housing & Building Association of Colorado Springs

Homes are a cornerstone of the American dream and a major driver of our economy. The Housing & Building Association of Colorado Springs was founded in 1950 as the voice of the homebuilding community and associated trades. We advance best practices, advocate for affordable housing, contribute expertise to regional development issues and serve our community through our workforce initiatives and HBA Cares programs.
