The HBA of Colorado Springs Announces New Venue for Home Shows in 2018

Chapel Hills Mall Event Center selected as the new host site

COLORADO SPRINGS – Dec. 7, 2017 – The Housing & Building Association of Colorado Springs (HBA) is excited to announce that their 2018 home shows will be held at Chapel Hills Mall. The move to the new venue comes after the closing of the Mortgage Solutions Financial Expo Center, which hosted the HBA's home shows and other events since 2011.

"The HBA returning to Chapel Hills Mall for our public events is a win for all involved – the local businesses exhibiting at the shows, the stores located in the Mall, and the thousands of show attendees who will get to expand their shopping experience," said Renee Zentz, Chief Executive Officer of the HBA. "We look forward to being an asset to this great venue, and to continuing to bring value to the community of Colorado Springs."

2018 HBA Home Show Schedule

- February 23-25: Home & Garden Show – Take in the sights, sounds and smells of outdoor Colorado living as you wind through spectacular landscape displays to gather ideas for your own backyard.
- March 23-25: Home Remodeling and Landscape Show – This is a can't-miss show for DIYers! Gather new ideas for enhancing the interior of your home, from state-of-the-art kitchens and energy-efficient windows, to siding, decks and beyond.
- April 20-22: Home Show – Whether you're improving your current home or building brand new, this show offers the convenience of talking with local builders, remodelers and other industry professionals all in one place to get you started.

About the Housing & Building Association of Colorado Springs

Homes are a cornerstone of the American dream and a major driver of our economy. The Housing & Building Association of Colorado Springs was founded in 1950 as the voice of the homebuilding community and associated trades. We advance best practices, advocate for affordable housing, contribute expertise to regional development issues and serve our community through our workforce initiatives and HBA Cares programs.
