## The HBA of Colorado Springs Announces New Fall Show and 2019 Home Show Schedule

COLORADO SPRINGS – May 9, 2018 – The Housing & Building Association of Colorado Springs (CSHBA) is excited to announce their schedule of home shows for 2019, as well as a newly added Home & Gift Show for the fall of 2018. All shows will be held at Chapel Hills Mall, which hosted the HBA’s popular spring home shows this year.

“The HBA is looking forward to a second successful season at Chapel Hills Mall for our public events,” said Renee Zentz, CSHBA CEO. “The partnership between the HBA of Colorado Springs and Chapel Hills Mall is a win for all involved – the local businesses exhibiting at the shows, the stores located in the mall, and the thousands of show attendees who will get to expand their shopping experience,” Zentz added.

### Upcoming HBA Home Show Schedule

- October 19-22, 2018: Home & Gift Show – Find the perfect products to help you finish your fall projects, and get a jump on your holiday shopping, too.
- January 25-27, 2019: Home & Garden Show – Take in the sights, sounds and smells of outdoor Colorado living as you wind through spectacular landscape displays to gather ideas for your own backyard.
- February 22-24, 2019: Home Remodeling & Landscape Show – Gather new ideas for enhancing the interior of your home, from state-of-the-art kitchens and energy-efficient windows, to siding and decks and beyond.
- March 15-17, 2019: Home Show – Whether you’re improving your current home or building brand new, this show offers the convenience of talking with local builders, remodelers and other industry professionals all in one place to get started.

## About the Housing & Building Association of Colorado Springs

Homes are a cornerstone of the American dream and a major driver of our economy. The Housing & Building Association of Colorado Springs (HBA) was founded in 1950 as the voice of the homebuilding community and associated trades. We advance best practices, advocate for affordable housing, contribute expertise to regional development issues and serve our community through our workforce initiatives and HBA Cares programs.
