

Congratulations to **GE Johnson** and **HBA Cares** for **exceeding** our goal to collect 48,000 lbs of donations for local food banks! This was a monumental effort, supported by **31 champions** in **5 states**, across **13 cities** and **51 collection sites**, with help from **55 partner companies**. Donations were given to **7 non-profit organizations** who help feed hunger in Colorado, Montana, Wyoming, Oklahoma, and California.

*Together, we collected **87,352 lbs** of food – roughly enough to feed over 125 people, three meals a day, for an entire year!*

We appreciate our partners who helped us achieve our goal:
